Speaking: Christian Sandor

by [kristinalford](#) on 24. Sep, 2010 in [Speakers](#)

Augmented reality will be featured at TEDxAdelaide.

Christian Sandor is one of the world-leading experts on augmented reality (AR). He is the Director of the [Magic Vision Lab](#) at the University of South Australia, where he and his team are pursuing research on human-computer interaction for AR. He is one of only two researchers from the Southern Hemisphere to have a full paper accepted at the premier research conference on AR in 2010: IEEE International Symposium on Mixed and Augmented Reality (Seoul, Korea).
